

MKS Instruments Ranks #17 on the Fortune® 100 Fastest-Growing Companies List

September 25, 2018

MKS #1 in “Biggest Jumps” Category, Moving From #89 in 2017

ANDOVER, Mass., Sept. 25, 2018 (GLOBE NEWSWIRE) -- MKS Instruments, Inc. (NASDAQ:MKSI), a global provider of technologies that enable advanced processes and improve productivity, today announced that it has been selected to the *Fortune*® 100 Fastest-Growing Companies List for the second year in a row. MKS ranks #17 on the list, moving from #89 in 2017, earning the company the #1 position in the “Biggest Jumps” category. *Fortune*'s 2018 ranking of the world's top three-year performers in revenues, profits, and stock returns provides a snapshot of the trends driving the global economy, such as the continued ascendance of the technology sector.

“We are pleased to be recognized as one of *Fortune*'s fastest growing companies for the second year in a row,” said Jerry Colella, Chief Executive Officer of MKS Instruments. “Our focus over the last four years on sustainable and profitable growth has enabled us to deliver to our customers, shareholders, and employees. Our robust and disciplined MKS business process fuels both our organic growth and our ability to seamlessly integrate and increase the value of our strategic acquisitions.”
